

We are inviting businesses to join our May 2019 event

ARTucker ~ Spring Edition

Tucker Recreation Center ~ Saturday, May 4, 11 AM to 5 PM

In its fifth year, ARTucker celebrates artists from Georgia and highlights those who live in or near the City of Tucker.

We're excited to announce that this year we have formed a team of creators to expand the show's reach, and for the first time we are asking local organizations to sponsor the event.

Sponsors can support us in a variety of ways, depending on what is most appropriate for them: a monetary contribution, a product donation for our artist snack room, or an item donation for our newly established silent auction.

In return for support valued at \$100 and higher, we offer:

ONLINE PROMOTION: Social media posts on Facebook and Instagram, announcing your sponsorship of ARTucker.

EVENT PRESENCE: The option to host an information table at the show—to include banners, business cards, and whatever promo material you would like to bring. Product samples are welcome.

SIGNAGE: We will integrate logos with our own in a poster format to display in at least three locations around the venue.

Proceeds help cover facility costs and fuel our marketing efforts to bring shoppers to Tucker. Remaining funds are donated annually to the Tucker Recreation Center. We have contributed \$2,000 in the last two years and our goal is to boost this number.

If you would like to partner with us in support of ARTucker as a sponsor, please contact Updates@ARTucker.com.

Your consideration is greatly appreciated!
